## Letter from Apostle

I will never forget many of the sayings of Apostle Ball. A matter of fact there is a book, Quotes From A Modern Day Apostle, that list some of his many original sayings along with his take on quotes from others. He would tell those of us, that were in training for ministry, to never come to conclusions about anything or anyone until the fire has come to the individual or their word. Fire is one of the revealers of what is reality by Yahweh's word. It's simple, what's left after the fire comes is Yahweh. Everything else, that turns to rubble, isn't Yahweh.

I've noticed, through my 35 years of ministry, that fires come along the way to refine but usually the final fire is the hottest. It is the finisher and final revealer. Some of the things that were consumed were necessary for a time but not meant to be the final result. Some things burned up were just good ideas or desires that must be filtered and cleaned out before a finished word is presented back to the Father.

### Glory from Heaven and *Torah*

1For the music director, a psalm of David.

2The heavens declare the glory of God, and the sky shows His handiwork.

3Day to day they speak, night to night they reveal knowledge.

4There is no speech, no words, where their voice goes unheard.

5Their voice has gone out to all the earth and their words to the end of the world. In the heavens He pitched a tent for the sun.

6It is like a bridegroom coming out of his bridal chamber. It is like a strong man rejoicing to run his course.

7It rises at one end of the heavens and makes its circuit to the other end. Nothing is hidden from its heat.

8The *Torah* of *Adonai* is perfect, restoring the soul. The testimony of *Adonai* is trustworthy, making the simple wise.

9The precepts of *Adonai* are right, giving joy to the heart. The *mitzvot* of *Adonai* are pure, giving light to the eyes.

10The fear of *Adonai* is clean, enduring forever. The judgments of *Adonai* are true and altogether righteous.

11They are more desirable than gold, yes, more than much pure gold! They are sweeter than honey and drippings of the honeycomb.

12Moreover by them Your servant is warned. In keeping them there is great reward.

13Who can discern his errors? Cleanse me of hidden faults.

14Also keep Your servant from willful sins. May they not have dominion over me. Then I will be blameless, free from great transgression.

15May the words of my mouth and the meditation of my heart be acceptable before You, *Adonai*, my Rock and my Redeemer.

Teresa Bowen, Seated In Yahweh

The times we find ourselves presently in will pass but I believe it is also designed to reveal to us what is meant to go on in the next phase of our lives. Don't hold onto things that have been consumed. Easy to say but very difficult to walk out.

I still believe that those that started on this amazing path will remain through the fire but if not, by the mercy of Yahweh, I remain and I hope we will all be there at the Tav, finish line, together.

Let's engage together for the fullness and realize this testing is for our schooling to manage Yahweh's big revealing that is now being unfolded.

Blessings and Shalom,

Aaron
