

Letter From Apostle

Welcome 2021!!! Isn't it funny and maybe even odd that we think one date with a different number added to it is going to produce change? Some people say that it has to be better this year because it couldn't be much worse. I also hear some others saying that as tough as this last year has been history speaks of much worse in years past. Of course this is relative to what you've endured and overcome. I will not list those catastrophes and tragedies because each are difficult to compare to the next. I do know that some of the affects have lasted for years, decades and even centuries.

The year of 2020 will go down in history as a tough year. If we decide to describe the year in one word what would that word be? I heard Mickey Snider say it was a year of an apocalypse. I agree for it was revealing in many ways. Good thing about an apocalypse is that now we know what is there. Since we now know what we are made of, what are we going to do with what has been revealed? One thing I think we are to do is seek Yahweh's face. No matter how shaken some of us might have been in 2020 we now have been given another year to either reboot or pick up the pace of seeking His face.

Will change come in 2021? I'm sure it will in some ways but how we respond to Yahweh's heart is the most important thing. One year from now, when this year is complete, what will be the one word that describes this year? I'm seeing more than one word this time. I see this word, "It will happen, in a moment, in the blink of an eye, when the last trumpet is blown." 1 Corinthians 15:52 NLT

Let us intently keep our eyes upon Yahweh and just do whatever we see our Father doing then everything will be alright. I also hope to see your faces soon and regularly.

Encourage one another, check on one another, pray for each other with a prayer of faith. Yahweh has designed us to not be islands unto ourselves but to need each other in order to be a part of all that He's doing.

From the Yod calendar this is the year of 11 (Kaph) and 12 (Lamed). From the Gregorian calendar this is the year of 20 (Resh) and 21 (Shin). Our mystery number is 16 (Ayin). I will expound more on the mystery number in the coming months.

Blessings to you and may this be a year full of the revelation of Joy unspeakable and full of Glory!

Happy New Year everyone!

It's great to begin anew. We welcome you 2021! I think we are all ready for 2020 to be finished. It has been challenging in many ways but also glorious in other ways.

Starting out this New Year we begin to think of what we want to change and what we want to continue or even start. Spiritually we want to go deeper and truly be engaging. We want to be changing from glory to glory.

1 Thessalonians 5:23-24

"Now may the God of peace himself sanctify you completely, and may your whole spirit and soul and body be kept blameless at the coming of our Lord Jesus Christ. He who calls you is faithful; he will surely do it."

Blessings to you all,

Robbie Smith
