## Letter from Apostle

Greetings! I am greatly enjoying the sounds from our Oracles of our house. We are a blessed family to have such pure hearted voices coming out of this place. As of this writing, August 28th, I was struck by what Oracle Elijah Ward spoke of this past Wednesday night. I enjoyed the entirety of his ministry but one word hit me deep within my heart. It was the part where he referenced the Teshuvah. This word in Hebrew means to return to the original state. It's memorialized in Israel where the Fathers watched the horizon for the return of the promised word.

Let us stand with anticipation and great expectation looking into the horizon of this upcoming day knowing we have fulfilled our part. Now we are awaiting the glorious manifestation of the promises of Yahweh.

If you would have told me last year that this year would look like this...I wouldn't have believed you! In one year the world has been turned upside down. People have been turned against each other because of strong opinions opposing one other. Babylon is literally imploding itself!

There is NO BETTER TIME than NOW to rise together in unity. I am truly thankful for all of you, my church family. We were born for such a time as this! Let's be there for one another to help rise up when someone is down, to rejoice when someone is rejoicing. We are all in this together and I am SO THANKFUL! We have a tribe, a place to call home. So let's rally together! Yahweh is good and HIS FAITHFUL LOVE endures FOREVER!

Much love,

*"that there should be no schism in the body, but that the members should have the same care for one another. And if one member suffers, all the members suffer with it; or if one member is honored, all the members rejoice with it."*

I Corinthians 12:25-26 NKJV

*"How truly wonderful and delightful to see brothers and sisters living together in sweet unity! It's as precious as the sacred scented oil flowing from the head of the high priest Aaron, dripping down upon his beard and running all the way down to the hem of his priestly robes. This heavenly harmony can be compared to the dew dripping down from the skies upon Mount Hermon, refreshing the mountain slopes of Israel. For from this realm of sweet harmony God will release his eternal blessing, the promise of life forever!"*

Psalms 133:1-3 TPT

Let us hold onto the Tzitzit of the four corners of the horizon of this new month. It will be worth it all.
