August 2020

50 days of a new commitment. This endeavor begins July 4th at 6 pm.

Letter from Apostle

Greetings! I'm thankful to everyone who has helped enable us to make it to the finish of 30 years. Many thoughts and words come to mind when I look back within those 30 years. Two words stand out above all the rest. These two words aren't meant to be greater than other words and they have never stood in their place alone. The two words are Love and Mercy. Yahweh's Love has abounded in strength and His Mercy has empowered us to prevail in finding our purposes.

Since our first service, September 2nd 1990 at 740 Hillcrest Road, the purpose of establishing the government of God has remained although the priesthood has changed from Levi to Zadok. We have found and are finding our seats within our purpose. These seats are our thrones. They're thrones that are founded in love and are seats of mercy. From these thrones we will declare Yahweh's decrees that affirm justice for the words sake. Yahweh's justice is setting in

What an honor it is to have been walking with the Lord for almost 50 years. I had an older sister that was a great influence in my life. We would attend many bible studies and meetings with people much older than us. It didn't matter to me because I was so hungry for more of Him. Music moves me as I'm sure it does most people.

There is a particular song from Dimensions Alive CD "Frequency" that really moves me. It is Aleph-Ghah. My favorite part of that song is "This is who I am
This is who I am
I am yours"

I love to worship! The music takes me places in the Father. It's so powerful! I encourage you to listen to the Frequency album again.

Blessings,
Pastor Robbie

order the oracle of the good news to the poor, a cry of wholeness is being released unto the hearts of the broken-hearted, an announcement of deliverance to the captives, the blind will begin to see again, while setting at liberty those that have been crushed and we have finally been given permission to preach the acceptable year of the Lord.

Job Well Done! Thankfully let us begin year 31 firmly seated within the joy of the Lord! Let's go and have some fun now!
